The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**FIVE-YEAR OPTION TO RENEW LEASE NO. 51870
DEPARTMENT OF HEALTH SERVICES AND DEPARTMENT OF PUBLIC HEALTH
511-515 EAST 6th STREET, LOS ANGELES
(SECOND DISTRICT) (3 VOTES)**

SUBJECT

This recommendation is for a five-year lease renewal for the Department of Health Services (DHS) and the Department of Public Health (DPH) for the continued use of 18,512 rentable square feet of clinic space in the Weingart Building located in the skid row area of downtown Los Angeles.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the lease renewal is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, and Section 15301 of the State CEQA Guidelines.
2. Exercise the option to renew the lease for a five-year term with Weingart Center Association (Landlord) for 18,512 rentable square feet of building space, located at 511-515 East 6th Street, Los Angeles, for the DHS and DPH at an annual first year rent not to exceed \$465,947. The DHS rent is approximately \$203,977, and is 100 percent subvented by Ryan White grant funding. The DPH rent is approximately \$261,970 and is 100 percent subvented by federal block grants identified in the County's Net Negotiated/Drug Medi-Cal Agreement with the State Department of Alcohol and Drug Program.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Both DHS and DPH have been housed in the Weingart Building since 1987. DHS provides primary care services through the John Wesley Community Health (JWCH), a public private partnership, to skid row residents in 8,104 square feet of space on the first floor. An early intervention clinic also operates on the first floor providing weekly diagnosis and treatment to clients with the AIDS virus. DPH, through its contract with the Volunteers of America (VOA), provides alcohol and drug residential treatment services to clients in 10,408 square feet of recovery space located on the ninth floor of the building.

The five-year lease renewal will allow DHS and DPH to continue providing health related services to the skid row population.

Negotiations between the County and the Landlord are in process to expand the AIDS clinic and primary care services into an approximately 20,000 square foot free standing building known as the Leavey Building which is located at 512-522 South San Pedro Street, Los Angeles. The Landlord-owned building is adjacent to the Weingart Building. Upon completion of negotiations and submission of a lease recommendation to your Board for approval, the Landlord has agreed to allow the County to reduce the rent payable and the DHS/JWCH premises area by 8,104 square feet and allow the program to relocate to the Leavey Building. The 10,408 square feet of space occupied by the VOA on the ninth floor will remain as part of the proposed lease renewal.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The Countywide Strategic Plan directs that we invest in public infrastructure in order to strengthen the County's fiscal capacity. The proposed lease supports this strategy (Goal 4, Strategy 2, Objective 2), with the consolidation of department services to better serve constituents. This proposed lease complies with the Strategic Asset Management Principles, as shown in Attachment A.

FISCAL IMPACT/FINANCING

The proposed five-year lease renewal will provide DHS and DPH with 18,512 square feet of clinic space at a monthly base rent of approximately \$38,829 or \$465,947 annually.

Sufficient funding for the proposed five-year lease renewal is included in the departments proposed 2008-2009 Rent Expense budget and will be charged back to DHS and DPH respectively.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed exercise of the five-year option provides 18,512 rentable square feet and 82 off-street parking spaces. The lease also contains the following provisions:

- The renewal commences on July 1, 2008, and ends five years thereafter.

- There are no tenant improvements in this lease.
- Parking for the staff and visitors is available on-site.
- The lease is full service and the Landlord is responsible for all maintenance and utility services to the premises.
- County has the right to cancel anytime by giving 90 days prior written notice. The County can also reduce the rent payable and square footage by 8,104 square feet at anytime should the Board adopt a new lease with the Weingart Center Association for expanded skid row services at the Leavey Building.

The Chief Executive Office (CEO) Real Estate staff did not survey the downtown skid row service area as this is a lease renewal for specific clinic-related services provided to a concentrated target population. Attachment B shows all County-owned and leased facilities within the surrounding downtown area and there are no County-owned or leased facilities available for the programs.

Based upon a market survey of similar properties in the skid row area, staff has determined that the base rental range, including parking, for similar properties is between \$23.00 and \$30.00 per square foot per year full-service gross. Thus, the \$25.17 base rental rent of the proposed lease renewal represents a market rental rate in the lower range of market.

The Department of Public Works has inspected the facility and found it suitable for County occupancy.

A child care center is not feasible in the proposed leased premises.

NEGATIVE DECLARATION/ENVIRONMENTAL IMPACT REPORT

The CEO has made an initial study of environmental factors and has concluded that this project is exempt from CEQA pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, and Section 15301 of the State CEQA Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

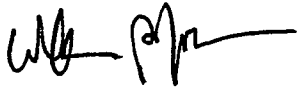

There will be no disruption of services to the public as this is an exercise of an option to renew the lease term. DHS and DPH concur with the proposed lease renewal.
